No worries, thanks to  
professional elevator  
maintenance

MITSUBISHI ELEVATOR EUROPE

# Elevator maintenance by Mitsubishi Elevator Europe

Do you have excessive elevator breakdowns, high maintenance costs or maybe you're unhappy with your current elevator maintenance company? We're happy to help. With around 65 years of experience, we can provide excellent professional elevator maintenance. We offer this service across the Netherlands. At the moment, for example, we maintain over 4,000 elevators.

## Why would we be your best choice?

**Lowest number  
of breakdowns  
in the Netherlands**

**Clear communication  
and planning**

**Every elevator  
has its own  
maintenance plan**

**Rapid help thanks  
to 24/7 service across  
the BeNeLux and  
Germany**

**Open and  
honest about  
costs and work**

**Sufficient spare  
parts in stock**

“Minimum noise, vibrations and, above all, a minimum number of breakdowns. Good elevator maintenance means that your elevator works without a hitch.”
